YOUR GUIDE TO A TINSEL-TASTIC TIME

Decorate your desk and go all out for children this Christmas.

5 EASY STEPS TO DECORATING YOUR DESK

- 1 Dig out the tinsel, baubles and lights. Put up posters around your office.
- 2 Don't work in an office? Don't worry! You can still decorate at home, at school or anywhere in your community.
- 3 Decorate! Go full Santa's grotto or keep it classic with fairy lights and tinsel.
- 4 Text **DESK to 70099 to donate £2** for children
- 5 Post online using **#DeckYourDesk** and tag friends and family. Who will win most festive desk?

INSPIRATION

Fairy lights, tinsel, baubles or Christmas trees; it's up to you how you Deck your Desk.

You don't have to spend money on new decorations. Get Christmas crafty and create your own glitter-tastic grotto, dig out your old decorations or visit your local charity shop for some classic Christmas kitsch.

EASY WAYS TO RAISE MORE

- 1 Add a collection jar to your desk and ask people to donate their spare change
- 2 Sell homemade (or shop bought) mince pies and mulled wine.
- 3 Go all out. Try a Carol-oke competition or a festive themed quiz.
- 4 Get competitive! The desk with the most donations wins.
- 5 Scrooge-like colleagues who don't want to decorate? Ask them to donate their last hour's pay instead!
